

PREVENTION EDUCATION INTERN THE PHOENIX CENTER AT AURARIA | ANSCHUTZ

About Us: The Phoenix Center at Auraria was established in 2009 as a comprehensive resource for interpersonal violence on the Auraria Campus. The Phoenix Center at Anschutz was later established in 2017 to expand the work to the Anschutz campus. Our mission is to implement campus response services, provide education, and facilitate dialogue related to sexual violence, relationship violence, and stalking in the Auraria|Anschutz community.

Overview of Position: Prevention Education Interns will be trained to provide consistent, thorough information about relationship violence, sexual violence, and stalking, and related topics to the Auraria|Anschutz campus community. They will be involved in the design of prevention and education programs and their implementation. Prevention Education Interns will actively engage in campus awareness activities, classroom presentations, orientations, and educational presentations to various campus groups. Prevention Education Interns must be self-starters and able to fulfill their hours with little direction. We are looking for flexible and committed individuals who are dedicated to the cause. Prevention Education Interns will develop presentation, facilitation, and leadership skills through participation in this opportunity. We serve the University of Colorado Denver|Anschutz, the Community College of Denver and Metropolitan State University of Denver. *This position does not provide crisis response and/or victim advocacy.*

Benefits: Prevention Education Interns will be provided with in-depth and ongoing training in dynamics of victimization and will gain direct experience in providing education to our large campus community on interpersonal violence.
