CONGRATULATIONS!!!!..... to **MARLINDA** on her recent engagement, and to **MICHELE R.** on her acceptance into the DU Graduate School of Social Work!!

A huge thank you to everyone

who donated items to the Gateway Women's Shelter in December. The PCA raised over \$300 in gift cards and donated various food items, clothing, medicines, and toiletries.

Mentors in Violence Prevention

The Auraria Campus is hosting the MVP Program this month, on the 2nd through the 5th. The program, co-created by Jackson Katz, focuses on teaching awareness and inspiring leadership from both men

and women. Rather than viewing men and women as potential victims or perpetrators, they are treated as bystanders who can recognize and handle an abusive situation. On Tuesday, Wednesday, and Thursday the pro-

gram will train the 'trainers' who will then go on to deliver presentations to four student groups on Friday. For more information on the MVP program, please visit:
