Watch for Red Flags and teasers around campus the week of March 28 thru April 1st.

The Red Flag Campaign will run April 4—8th.

The Red Flag Rally!

Join us on April 7th from 12-2pm for a rally to raise awareness of interpersonal violence. Kathy Robertson, campus administrators and students will speak on the importance of addressing the issues. **Location TBD.**

Vagina Monologues

March 31 & April 1

at the Turnhalle from 7pm to 10pm and on April 2 at Hamburger Mary's.(700 E 17th Ave)

The "Vagina Monologues" are performed to call attention to V-Day and generate broader attention for the fight to stop violence against women and girls, including rape, battery, incest, female genital mutilation (FGM) and sex slavery.

V-Day is a global activist movement to stop violence against women and girls. V-Day is a catalyst that promotes creative events to increase awareness, raise money and revitalize the spirit of existing anti-violence organizations.

This program is organized by MSCD's Feminist Alliance in conjunction with IWSS.

A portion of the Ticket sales will go to The PCA.

Denim Day is Wednesday April 20th!!

Denim Day – Wear Jeans to school or work today to protest the presence of the many cultural myths about rape that perpetuate its existence and prevent rape survivors from coming forward!

How it began:

In 1992, an 18 year old girl in Italy was picked up by her driving instructor to begin a driving lesson. Soon after, she was raped on the side of the road by the instructor. She pressed charges and won her case. The instructor appealed and the case when to the Italian High Court. In 1999 the Court overturned the con-

viction with a member of the High Court declaring that since the victim wore very tight jeans, the instructor could not have removed them himself, therefore the victim must have willingly participated. Women of the Italian legislature protested the decision by wearing jeans to work. As news of the decision spread, so did the protest. Denim Day is now observed all over the world and we will be observing it on the Auraria campus!
