Thanks to the Feminist Alliance

As many of you may know, on April 15th, 16th, and 17th, the Feminist Alliance was responsible for putting on three performances of the popular production, *The Vagina Monologues*. Not only were these performances a fantastic celebration of women's autonomy,

these performances raised **\$2,533.50** for the Phoenix Center. We are incredibly grateful to the Feminist Alliance and those responsible for organizing and participating in this amazing event. Thank you for your contribution to the PCA!
