Have a great month!

## The Phoenix Center at Auraria is Moving!

The PCA, as well as the office of Community Standards and Wellness, is moving in just a few days! On Friday, August 6th, the Phoenix Center at Auraria will permanently relocate to a newly built space in **Tivoli 227**—right across

from Pete's Arena Pizza. The new space is a perfect change for the continually evolving PCA, with more space and an office that is better equipped to serve the Auraria Campus. Come check out the new space after August 6th and

make sure to spread the word. Don't worry—the PCA can still be reached in-office at 303-556-6011 or on the 24 hour helpline at 303-556-CALL.
